This exploded view diagram illustrates the assembly of a mechanical device, likely a specialized camera or sensor unit. The components are numbered 1 through 29. The main housing (1) is shown with internal components like the lens assembly (15) and the sensor array (14). The lens assembly includes a lens element (15), a filter (16), and a mounting bracket (17). The sensor array (14) is connected to a control unit (18) via a cable (22). The control unit (18) is mounted on a base plate (13) and is connected to a power source (27) via a cable (29). The base plate (13) is secured with screws (24). The entire assembly is mounted on a larger structure (11) using screws (24) and a bracket (12). Other components include a mounting bracket (4), a screw (19), a bracket (5), a screw (21), a bracket (6), a screw (7), a bracket (8), a screw (9), a bracket (10), a screw (20), a bracket (21), a screw (22), a bracket (23), a screw (24), a bracket (25), a screw (26), a bracket (27), a screw (28), a bracket (29), and a screw (30).
